On **Tuesday, September 6th, 2016**, the school day will begin at 9:15 a.m. to ensure all students have their timetables. Students are asked to bring a secure lock on September 6th to install on their assigned locker. It is essential that students occupy the locker which they are assigned. - pick up your 2016/2017 timetable and student planner,
- pick up the Media Permission Form and Appropriate Use of Technology form
- pick up the form for the Student Activity Fee \$30.00 and Yearbook Order Form

**Student Activity Fee**

Colonel By Secondary School requests a yearly Student Activity Fee of \$30.00 from all students. This voluntary fee will only be spent on students and their activities, such as the Student Planner/Agenda, Students Council Activities, Fine Arts Extra-curricular Activities, Interscholastic Programs, Student Clubs, Student Recognition and Leadership Training, the Grade 9 Welcome BBQ, Student Body Activity Days, motivational speakers/assemblies, and other projects such as student conferences and student initiated projects.

**Colonel By Secondary School Yearbook**  
**Show your Cougar spirit, buy the *Yearbook!***

Buy your school yearbook early to make sure you get a copy. Every year students come to us in June asking to purchase a yearbook. Unfortunately, we must turn many students away because we order the number of yearbooks that are pre-purchased by students in the fall. Don't be left out – **order your yearbook in September**. In September, the cost of the yearbook is **\$40.00**; orders are taken until October and the price increases in June if there are extra books available for sale.

**Two important items:**

- 1) Please return this form to the school along with a **cheque or money order**, made out to Colonel By Secondary School, **or cash in the exact amount only**.
- 2) Yearbook will provide a receipt once school has started. **Please keep the receipt for your records; you *may* need to show it in June to prove that you purchased a yearbook**. If something goes wrong with our orders and you **do not** have your receipt, we cannot guarantee you a yearbook.

# Colonel By Secondary School School Council

The advisory School Council would like to welcome you, or to welcome you back, to Colonel By. The mandate of the advisory school council is to help increase communication between the school and its communities and to serve the needs of students. As such, the school council liaises through the school principal, Ms. Jean Fulton-Hale, and is an important link between parents and the school community.

The Colonel By School Council is comprised of parents of Colonel By students, and has regular meetings on the third Tuesday of the month from September through June. All parents are welcome.

## School Council Fee

The Colonel By School Council requests a voluntary yearly fee of \$5.00 per student. As the Colonel By School Council does not engage in fund-raising activities during the year; this \$5.00 voluntary fee is the only contribution that we ask from parents. Each year, the School Council invites requests from Colonel By staff for items that will enhance the learning experience. Most of the voluntary fees from parents are put towards these purchases. In the past few years, purchases made using the voluntary fees have included a Smart Board and manipulatives for the math department, upgrading of lighting/sound to improve the presentation space in the Cafetorium, the renewal of technology for classrooms, and most recently, lendable technology (iPad minis/Chromebooks) for the CB Library.

Recently, Council has also made a commitment to explore how it may support student clubs/excursions. Please indicate if you are open to your donation being used for this purpose. Further discussions will be held at fall meetings to establish a clear process for application/approval of this type of financial support.

## The Colonel By Community Bursary

Colonel By's School Council invites our families to consider donating to the Colonel By S.S. Community Bursary. The Colonel By Community Bursary helps to support students with a solid academic standing (70% or better) who may face financial barriers to continue their studies at the post-secondary level. Our goal is to award a bursary to at least two Colonel By graduates each year. Any support would be greatly appreciated and receipts will be issued for donations by cheque of \$25 or greater.

Should you wish to have a receipt, please fill out the receipt request including your home address as the OCDSB mails charitable receipts directly to contributors.
