International Baccalaureate Programme Fee Structure and Payment Schedule

revised January 7, 2020

The IB Diploma Programme (IBDP) is an enhancement opportunity for students in addition to the Ontario Secondary School Diploma (OSSD). As such, fees apply to each year of study. Acceptance of a place in the programme is deemed an acknowledgement from parents/guardians of the expectation to pay annual fees. Payment of fees is required to maintain a student's standing in the programme.

The fee structure is designed to balance costs for the programme across four years of study. Non-payment of fees will result in follow up from Administration, along with the possible loss of the student's place in the Diploma Programme. Parents/Guardians and/or students with demonstrated financial need or those who wish to consider installment plans, should contact the Administration as soon as possible.

All fees are subject to annual review to address actual costs of the programme in addition to components provided by IBO (e.g. Exam costs).

Grade 9 Annual Fee	\$325	due with course selection at the time of acceptance into the programme
Grade 10 Annual Fee	\$325	due March 31 of grade 9 year (due with course selection)
Grade 11 Annual Fee	\$325	due March 31 of grade 10 year (due with course selection)
Grade 11 Subject Exam Fee	\$170/exam	due October 31 of grade 11 year (in advance of exam selection)
Grade 12 Annual Fee	\$325	due March 31 of grade 11 year (due with course selection)
Grade 12 Subject Exam Fee	\$170/exam	due October 31 of grade 12 year (in advance of exam selection)

All amounts are quoted in Canadian dollars.

All IB-related fees for students in grade 9, 10 and 11 should be paid using [School Cash Online](#).
To pay by cheque or installment, please contact the Main Office.
