

Please take note of our third Human Library Event, which is a collaboration between the Colonel By and Sir Wilfrid Laurier high school Libraries.

**The event will take place in the Sir Wilfrid Laurier gymnasium
Wednesday, April 12.**

Over 60 Human books will be attending.

Community members and various professionals will volunteer their time as "books" in an effort to give students the opportunity for small group conversations with people who are not readily accessible in our community. Students can ask questions to learn about their extraordinary lives, passions, and work experiences. Colonel By students may sign-up in advance and attend this whole day event.

Students sign up for your 10 most preferred human books and you will be assigned 6 sessions. In groups of five, you will sit and chat with the guest for approximately 30 minutes, before proceeding to your next person.
